OF SOUTH CENTRAL BELL TELEPHONE COMPANY'S	)	CASE NO.
PRIVATE LINE SERVICES TARIFF AND ACCESS	)	10477
SERVICES TARIFF	)	

O R D E R

This matter arising upon motion by South Central Bell Telephone Company ("SCB") filed May 30, 1989 for clarification of the Commission's Order of May 10, 1989 as it pertains to the question of whether SCB should produce forecasted Private Line/Special Access revenues for 1989, and it appearing to the Commission as follows:

On April 17, 1989, the Commission ordered SCB to produce its forecasted private line/special access revenues for 1989 to the extent that it was readily available and copies of the demand price out information included in SCB's application. The information was to be furnished in response to Item 3 of the requests for information filed by AT&T Communications of the South Central States, Inc. ("AT&T") on February 23, 1989. On May 10, 1989, pursuant to a motion for reconsideration, the Order was modified to delete the requirement that SCB produce the price out information. The modification did not relieve SCB from producing the forecasted revenues. SCB, as part of its motion herein, requests that if such information is required to be produced, it

be treated as confidential. And this Commission being otherwise sufficiently advised,

IT IS ORDERED:

1. SCB produce and file its forecasted Private Line/Special Access revenues for 1989 as originally ordered on April 17, 1989.

2. If SCB believes public disclosure of such revenues will result in competitive injury, it should petition this Commission for confidential protection of the material stating with specificity the grounds therefor in accordance with 807 KAR 5:001, Section 7.

Done at Frankfort, Kentucky this 30th day of June, 1989.
